# EXPLORING PATHWAYS CAREERS

**Organization:**  
**Field:**

What inspired you to pursue this career, and what do you enjoy most about it?

What education, training, or certifications are required for this role, and what paths did you take to get here?

What does a typical day or week look like in your job?

What are the most important skills or qualities someone should have to be successful in this career?

What opportunities for growth or advancement exist in this field?

What advice would you give someone who is interested in pursuing this career pathway?
